Greetings!

Valentine's Day is not just for couples. This year, escape to Shanti Medical Spa and pamper yourself or someone special with a relaxing spa treatment.

Bring yourself, a friend, your mother, or your partner to share in this fabulous experience. We will treat all of our guests to chocolates and fresh fruit for this day of relaxation and rejuvenation.

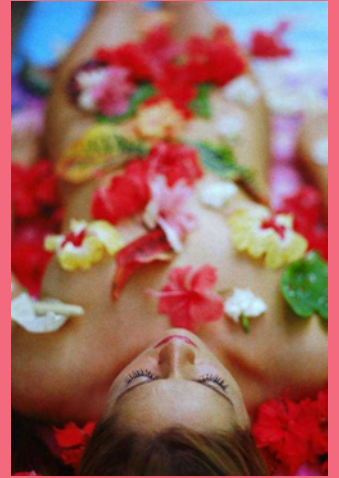

If you prefer to spa with your partner, we can create a special couples treatment room for an extra fee of \$50.

These amazing specials are available between Sat. Feb. 9th-Sat. Feb. 16th. Please call or email to book your appointment or purchase a gift certificate.
